

## Automatic Renewals for Residence Permits Expiring until September 30th 2023

NEWS, LATEST,  
CURRENT TOPICS

### AUTHORS

It is now possible to carry out the automatic renewal of residence cards whose expiry date terminates on the 30th of September 2023.

Therefore, anyone who holds a residency permit, including a residency permit for investment (Golden Visa), can now automatically renew the residence card online, in the “personal area” at SEF’s portal.
